EXPERIENCE

VMC

2015 - Present

- *Senior Compatibility Tester*
Lead testing initiatives for multi-platform test sweeps, testing min-spec to next-gen hardware. Lead web browser compatibility passes for webapps, testing content responsiveness and CMS function. Lead mobile testing for iOS and Android webapps and native apps.

VMC

2014 - 2015

- *Compatibility Tester*
Worked closely with client point-of-contacts throughout the development and release of their title to ensure the title performs as intended across the range of supported system requirements. Created and coordinated test plans to be performed on a regular cadence.

Babel Media

2013 - 2014

- *Quality Assurance Tester*
Created and executed test plans for titles ranging from indie to triple-A, on PCs and major consoles. Monitored testing and regression for teams ranging up to 45 people, across a variety of bug tracking and test management clients.

EDUCATION

Dawson College

2012 - 2014

- *Electronics Engineering Technology*
Designing, building and programming circuits for application in the telecommunications or computers and networks industries.

VOLUNTEER

Dawson eSports Club

2013 - Present

- *Club Founder/President*
Organized monthly LAN parties and tournaments accommodating over 120 participants. Worked closely with game developers and businesses to sponsor gaming events.
